

Medical safety think tank

2020-07-16, part of CTI Hackathon

Link to Slide Deck: https://docs.google.com/presentation/d/17ZHTFrKt4v-iAgwLSq9a-5yZTg-xRtd_yODeX1DGdNQ/edit#slide=id.p

Counters in place

- Facebook has made it much harder to find some of these sites, can't get to them in Facebook

Anti-vax narratives

Anti-COVID Vaccine narratives

Will be harder to reduce herd/group immunity

Anti-vaxxers getting ready for a fight

Now same folks are working on...

Anti-mask disinfo

- Fake facemask Exemption Card
- Freedom to Breathe Agency
- This has now worked into Canada as well
- Calls for marches like Million Unmasked March

Anti-mask Disinfo Counters

- Mask exemption override card
- Reality team: set up to produce simple, clear counternarratives for incidents that arise
 - What's working?
 - Hashtags like masks are patriotic
 - Building a network to amplify good info
- Mask up series of 4 visuals

Think Tanks

How do we track persistent threats?
