UK against mandatory face masks and vaccinations page

- <https://www.facebook.com/groups/2708461759433964> “UK against Mandatory Face Masks and Vaccinations”, 1.3k people, private, image of sheep wearing masks (uploaded by [Name Redacted], 2020-07-11). Group text “The wearing of face masks and having the covid 19 vaccine should be a matter of choice not government mandate. We are fast losing our freedoms. The government is keeping up the fear factor by enforcing masks so they can roll out the rushed through dubious vaccine on the population. This group is against mandatory face masks and vaccinations”. Created 11 Jul 2020. 101 new posts today. Group rules are “1 Be kind and courteous. We're all in this together to create a welcoming environment. Let's treat everyone with respect. Healthy debates are natural, but kindness is required. 2 No hate speech or bullying. Make sure that everyone feels safe. Bullying of any kind isn't allowed, and degrading comments about things such as race, religion, culture, sexual orientation, gender or identity will not be tolerated. 3 Common Goal. We are all here to fight for a common goal and to get our freedom back. We don't want posts that cause division amongst members as that is what governments want. United we stand divided we fall!” Admins [Name Redacted] [Name Redacted] [Name Redacted]

Knowledge is Power has some corks, e.g.

**In Satanic rituals, they stand six feet apart and wear masks.**

**Wearing a Mask**

*"The global occult ritual of mask-wearing signals your consent to your new, subservient position, under your new masters, and the loss of your position as a vocal representative of, or mouthpiece for, the Word of God on this earth."*

**Hand Washing**

*The global occult ritual of hand washing represents the washing away of the old order (i.e., the Christian Order you once belonged to), so a new order can be ushered in and firmly established*

**Social Distancing**

*"The global occult ritual of six feet of "social distancing" symbolizes the breaking apart of the Body of Christ on earth, so it no longer functions as a stable and cohesive unit."*

*I would like to add to this that the rather random, unscientifically tested decision to settle on 6 feet of distance (as opposed to five or ten or any other distance) is likely owing to the fact that 6 is a highly charged occult number, which means in Luciferian circles, among many other things, transition.*

narrative from [Name Redacted] page "The increase in positive tests correlates with the start of the mask-wearing policy. Mask wearing has been shown to increase a persons "viral load" by scientists and doctors, as reported by the BMJ."
