- Hate speech
- Other digital harms

Experience

Do you have experience in any of the following? Select all that apply.

- social media analysis
- OSINT
- data science
- counter violent extremism
- marketing / ad tech
- social engineering
- machine learning
- NLP
- development
- infrastructure
- forensics
- malware reversing
- threat intelligence
- triage & detection
- incident response
- vulnerability scanning
- application security
- penetration testing
- governance/process/documentation
- education/training
- journalism/reporting
- military
- law enforcement
- other

Interest and Training

What would you most like to learn to do in the #Disinformation team? Select all that apply.

- social media analysis
- OSINT
- data science
- counter violent extremism
- marketing / ad tech
- social engineering
- machine learning
- NLP
- development
- infrastructure
- forensics
- malware reversing
- threat intelligence

- triage & detection
- incident response
- vulnerability scanning
- application security
- penetration testing
- governance/process/documentation
- education/training
- journalism/reporting
- military
- law enforcement
- other

- MISP
- TheHive
- Process
- True? Opinion? Inauthentic? (when to respond)
- Tactics, Techniques, Procedures

Was the training format effective?

- Yes
- No
- I'm not sure.

If not, what could we improve? Select all that apply.

- It was too long.
- It was too short.
- The content was too basic.
- The content was confusing.
- It should be more interactive.
- other

Commitment

How many hours per week will you commit to?

- 0-2
- 2-4
- 4-6
- 6-8
- 8-10

- 10+

In UTC time, what is your usual availability?

- Start: <00:00>
- Stop: <00:00>

Are we able to call on you for urgent incidents/tasks?

- Yes
- No

If you answered yes to the previous question, what is the best way to reach you?

- Phone
- Email
- IM
- Include contact details here

Feedback

Which of the following obstacles prevent you from participating in the channel? Select all that apply.

- I'm not sure what others are working on.
- I'm not sure how to start helping.
- I'm not sure how my skills can be applied.
-
- I don't have the required tool/infrastructure/capabilities needed to apply my skills.
- I don't have the human resources needed to apply my skills.
-
- I don't know who to talk to for help/training/guidance.
- I don't know how to use community tooling (GitHub, MISP, TheHive, DKAN, etc)
- I have difficulty keeping up to date in Slack.
-
- I'm concerned for my health and safety.
- I'm unable to participate due to security/employment reasons.
-
- I am not interested in the incidents discussed so far.
