

Canaries

Canary = account that's likely to show disinformation activity early

[Name Redacted] account was created the day they announced the first case of covid in the US

- Daily notable news headlines collected and paraphrased by @[Name Redacted] ([Name Redacted]) on Twitter and read by @[Name Redacted] ([Name Redacted]) on Twitter. <https://www.youtube.com/channel/UCY3JYWDw1p1T50uhSlfHSQA/about> (Pretty sure its all the same person.)
- a lot of the following accounts are 10+ years old too
- weird things like this tweet https://twitter.com/lt_freedom/status/1253539323712024578
- First tweet on that acct -> https://twitter.com/lt_freedom/status/1251260961291370500?s=21. 33k likes. Probably directed from an image board (\$chan ect)
-

Worth scraping and indexing new posts on those message boards to cross compare social media action and coordination
